# Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Alana Anderson starts off her scene with a nice wet finger fucking. When a girl's pussy is as tight as Alana's, it needs to get fingered before she fucks. It seems to work, 'cause this blonde beach bunny bounces up and down on her guy's rod with ease.

Allison Banks is always wet. And if she's wet when she's not playing with herself, imagine how soaked she gets when she is masturbating. Actually, you don't have to imagine. You can just watch this scene.

Leah Cortez likes creampies just as much as guys do. As a Latina with a kinky side, she enjoys anything that's a little raunchy and dirty—like getting her insides coated with cum and then pushing it out!

Jenny Alexander is a horny nerd. She should be studying, but she'd rather stuff her pussy with her pink vibrator. She jams it in deep and cums all over her desk chair.

Risa Maxxx wants to recreate what she's seen in porn. That means she

wants a big-dicked guy to fuck her senseless and cum all over her face. Of course, being in porn is way better than just watching one.

Taylor Jean likes it when you watch her masturbate. The camera zooms in super close and you can see her pussy juice glistening off her lips and mound. She fucks herself, pretending it's your cock going into her snug slit.

Roxanne Rae knows being the only girl on the chess team has its perks. The number one benefit is that she can get a hard cock to fuck whenever she wants. So when she flashes this guy her panties, it's on. You can tell she's the slut in her nerd group when you see how she bounces her tight, little body on top of this thick rod.

Maxi Booty is snowed in and ready to cum. She works her juicy pussy with her finger while massaging her perky B-cups. She spreads open her purplish pussy lips so you can see the bright pink inside.

**Kira Rose is an anal crusader.** She loves anal, and she's gonna show you just how much. This tiny teen only weighs 100 lbs, but she's a heavy weight at taking cock deep in her ass.

Franziska Facella's pink bikini matches her pink pussy. She removes her bathing suit as the cameraman guides her through getting naked and masturbating. He asks her all kinds of filthy questions, getting her to open up. She's completely compliant with his requests, but when she cums, that's her own initiative.

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

#### Porn's Newest Starlet

Dear Virgin Territory,

If I could make the perfect woman in a lab, she might almost be as beautiful as Freya. Freya may just be the prettiest girl I've ever seen. She's got it all going on for her, from that lovely face to her hot and sexy figure. Her tits are so supple and perky and her waist is so tight and small. I can just imagine running my hands down her bosom and over her hourglass figure, down to that shaved pussy and round ass. My cock would be rock hard just from touching her. I would be very surprised if Freya doesn't become a major porn star. She's so hot, she could really take the industry by storm. I hope to see more

of her, as I think it's safe to say she's my new favorite 18eighteen girl.-R.Q., Oakland, California

Dear R.Q.,

Unfortunately, we don't have any more sets of Freya for 18eighteen, but you can see another layout of her in Naughty Neighbors Vol. 27 No. 1.

#### Mischievous Mina

Dear Virgin Territory,

I like Mina from the Vol. 24 No. 1 issue. She has a nice body and seems like she'd be fun in bed. I would

gladly bury my face in all her holes, and I'd definitely like to see those hooters bouncing around as I fuck her hard. I can tell that she's an exhibitionist by the way she flashes her tits and pussy and has that mischievous look in her eye. The fact that she's flexible is a nice bonus too. I've always gravitated toward slutty, assertive, confident girls, and I'm getting those vibes from Mina. I will have to check out her hardcore video to see if I'm right about her sexual disposition, but I'm confident that

she's a little freak. I've already blown a couple of loads to her. I can't wait to blow a few more to her hardcore pics and video.-E.B., Huntington, New York

Dear E.B.,

Mina is a wild one in bed. Check out her scene in Tight & Stretched 3, which is previewed in this issue starting on page 12.

#### **Cunniling-Less in** Colorado

Dear Virgin Territory,

I have a bit of a dilemma, and I was hoping you could help me. I'm an older guy who recently went through a divorce. The last time I was single (the '80s), eating pussy wasn't really a big issue. At least not that I remember. I never acquired a taste for it, and the girls never complained. It also seemed like my friends didn't do it either.

Well, as I mentioned, I'm single again, and I'm finding every girl expects to get her pussy eaten. I

never acquired the taste for it, and the fact that I don't want to do it is kind of embarrassing and excludes me from many opportunities. Do you have any advice as to how I can enjoy it more and get better at it?-G.B., Colorado Springs, Colorado

Dear G.B.,

*If it's a hygiene issue that turns you* off, perhaps you can suggest taking a shower first. Other than that, one of the best ways to acquire a taste for something is through exposure. Assuming that you care about the woman's pleasure, focusing on that and her reaction can help to make the experience more enjoyable. As far as getting better at it, the best thing you can do is to ask if she likes what you're doing or if you should do something different. In short, eat lots of pussy and ask for feedback.

### Creampie Dreamin'

Dear Virgin Territory,

Could you please bless us with more hardcore layouts that end with a creampie? I have never been a huge fan of facials (I know—I should have my man card revoked). For me, nothing is better than cumming deep inside a nice, warm pussy. I get that maybe it's not that exciting for guys

who want to see a big cum shot, but I love to see a freshly fucked pussy oozing cum. It reminds me of how great it feels, and there's something

so dirty about seeing the load drip out of the girl. One of your hottest creampies was with Anastasia, who let the guy cum in her asshole. You knocked it out of the park with that one, but I would be happy even with a regular ol' pussy creampie, just as long as it's nice and sloppy.—S., via email

Dear S.,

We'll be sure to add creampies to our roster. In the meantime, enjoy Anastasia's anal creampie from Creampie Cutie Pies 3.

#### Public Hard-Ons with Harlow

Dear Virgin Territory,

Harlow is a prized teen babe. Every guy wants to be with her and every girl wants to be her. After see-

ing her hardcore layout in your Vol. 24 No. 1 issue, I was hard for days just thinking about her. I even found myself in an awkward situation at the car wash, where I was sitting down and daydreaming about Harlow and got a raging hard-on right when they'd finished my car. I managed to tuck my dick into the waist of my shorts, but it was a close call. When I got home, I jerked off good and hard to her pics and came twice. Big loads too! Her perky tits and beautiful, symmetric innie pussy

are exactly what I like. She also looks so tight. In every sex photo her pussy is practically squeezing that cock. I don't know how that guy didn't blow his load right then and there, feeling that prime teen pussy squeezing his shaft. I know you don't normally bring girls back after they do hardcore, but I hope you'll consider it for Harlow.-T.H., Wichita, Kansas

Dear T.H.,

We probably won't see Harlow in 18eighteen again, but here's a photo of her from her hardcore set in Naughty Neighbors Vol. 26 No. 6.

### **Dripping for Dakota** *Dear Virgin Territory,*

Dakota makes me feel like I'm 18 again, even though I'm 52. Shit, she makes me cum like I'm 18 again! When I'm with my wife, I'm lucky if I can squeeze out a few sad spurts. But when I look at Dakota's photos, my dick starts dripping with precum instantly. She's like a fresh peach ready to be picked and put in my mouth until there are juices dripping down my chin. There's nothing like a teen girl gushing in your mouth, and vou better believe I wouldn't stop tongue lashing this cutie until my whole face was soaked! That sweet

face, those little titties, her cute pussy lips...I think I need to go pleasure myself now!-Z.M., via email

Dear Z.M.,

Here's a bonus photo of Dakota to aid you in your pleasuring. May you have a big load!

### A Millennial Perspective

Dear Virgin Territory,

I'm a 30-year-old guy, and my uncle gave me one of your magazines to check out. You might think this is hilarious, but that was the first porn magazine I ever saw. I've seen porn, but people my age watch it online. To me, porn magazines are what they used in the '70s and '80s. It's my dad's porn. I didn't even know that porn mags were still around. I showed your magazine to my friends and they were amazed.

The issue was Feb. '18, and my uncle thought I would like it because the covergirl had big tits. He also gave me an issue of SCORE, but I prefer the natural look of the girls in 18eighteen more. Anyway, he was right. I did like the covergirl, Mila, and her big tits. There were some other cute girls in the issue too. Carolina and Blaire were probably my other two favorites. Carolina reminds me of this slutty girl I know, and Blaire has something sweet and innocent about her-even though she was getting fucked. I even jerked

off and came, which was kind of surreal because I've never done that with a magazine before. I just wish there were more photos.

Overall I liked the kind of girls in

the magazine. And I liked the schoolgirl uniforms too. So would I buy another issue? Probably not. I'm just too used to internet porn. But if I was at my uncle's house, I'd definitely go into his stash for some fun reading. -K.F., via email

Dear K.F.,

Thanks for the review. You should check out 18eighteen.com and let us know what you think.

### **MOVIE PREVIEW**

Can these teen twats handle big cocks? You bet!

# **<u> ÊTCHED3</u>**

Binky's braces and little tits get her sister's boyfriend's attention. Her plump chocolate nips are perfect for sucking. He pulls aside her shorts and fucks her pussy, his huge cock glistening with her juices, her cunt stretched wide. He sprays her cute brace-face with his jizz.

#### MONKS JOE

"Yee-haw!" cried Ronnie, plowing up a drift of snow as he put on the brakes. The girls whose attention he'd been trying to get for five runs chuckled, but I didn't think he was getting anywhere. Sure, the group included a slender, lush-lipped redhead who'd caught my eye, but with sunset fast approaching, I was convinced she was totally not interested...or maybe hooked up with the blonde who could barely stay upright on skis.

"Meet you over there," he said, ready to give it another shot.

"You sure?" I prompted, trying to get him to give up. We weren't going to hook up with that crew. Wasn't even worth the effort. "It's gonna be getting dark soon."

He nodded, though, so I left him and headed back for the lift. People who'd been downhilling all day were heading for the lodges, while a few hearty souls were gearing up for a final slalom as the sun turned orange. I wound up on the lift with a cutie I thought might've been waiting for her dad, before noticing the Berwick Junior College logo on her gloves. Made me feel a little better going up the mountain. She sure looked young—but at least she was 18!

She let out a whistle, waving a pole at a small group heading for the rental chalet. I'd seen them on earlier runs and pointed them out to Ronnie. He hadn't paid much attention, though. I think he had tunnel vision with that other group of girls.

"Friends abandoning you?" I asked, sneaking a peek at her while I pulled my goggles back on. Petite, brunette, hair glistening with frost. Before she'd hopped onto the lift, I would've gone so far as to think she was skinny. She sure had nice calves, though, the way her boots wrapped around them.

"Wussies," she complained. "They were tired an hour ago."

"Not you, though."

"Pffft, please. They need to put some lights on this mountain so we can go all night."

"Like to go all night, huh?" I said, playing it straight, not letting on that I recognized the double-entendre. As we reached the drop-off, she looked me up and down.

"Only nights I can find someone who can keep up," she said, just as

deadpan. Then, before gliding onto the Diamond trail, she called back.

"See you at the bottom?"

With a mischievous shake of her ass, she was gone.

We wound up back at the house, Ronnie having struck out with the gorgeous gaggle he'd been chasing, but he met a gal in the rental hut flying solo because her cousin had turned an ankle. I'd invited Janey (the girl from the lift) and her not-ready-to-drop trio of friends to join us at the place we were staying...and they had. Spending time in a luxury lodge Ronnie had scored from his boss? They didn't require much convincing.

Ronnie was hanging out with Steff, she of the wounded cousin, while Janey's gal pals had stripped down to next-to-nothing en route to the sauna.

I considered following, but Janey, in a halter top and leggings, asked where the shower was. She was still wearing a sheen of sweat from our final run. A bead trickled down into her modest cleavage, disappearing between small breasts.

"Upstairs," I told her. "Second door. Here, I'll show you, that way you know where everything is."

"Down, boy," she said, swatting my hand off the bannister. "If I can't find a towel? These'll just get clingy, I guess." She gestured to the snug halter and leggings. Damn, but the things looked painted on. I smiled and let her go, watching her dash up the steps. I'd been right. She had nice legs and a tightlooking ass. The halter didn't hold a whole lot, but Bcups were fine by me. I was picturing them sans halter when she reached the landing and turned back to find me staring. She shot

but which gave me wood hard as a Dutch Elm. She disappeared into the bathroom, leaving me standing there with a raging hard-on.

There were mugs everywhere. Ronnie had handed out enough hot chocolate to give someone diabetes. I was feeling tight after a full day on the mountain, so I suggested testing out the hot tub. Janey's friends were eager for another round in the sauna, though, so Ronnie and I paired up, the four of us heading downstairs.

"Whoa..." Steff said, gawking. Ronnie worked for an investment firm, so it was no surprise to find an eightseat Bullfrog Spas model with the water already warm. It was a pretty crazy setup, with a waterfall at one end and a lighting rig that rivalled my grandmother's Christmas display. I

was already down to a pair of gym shorts. Steff skimmed off her leggings, showing off a tiny thong that could've been a rubber band, her neatly trimmed pubes peeking out, well...just about everywhere. Ronnie threw his sweats aside and dropped into the water in nothing but Jockeys. Janey doffed her bottoms and dropped into the spa, sporting a different halter, her thin, cotton bloomers making me hustle beneath the surface to hide my bulging erection.

"Ooh," Janey said, wiggling her hips into the water. "Not bad."

"What is?" I asked, watching the water drip off her small boobs. Giggling, she got up on me and started pressing buttons. A second later, a water jet came to life, firing a stream of heated bubbles against my ass and lower back. Janey sank back into her seat. gnawing on her bottom lip. It wasn't hard to tell where her jets were hitting. Five-hundredfifty gallons or not, I could feel the pre-cum bubbling at the tip of my dick. Across the tub, which we filled only half of, Steff and Ronnie began playing with buttons.

"Weeee-yahhh!" Steff howled, jumping into Ronnie's lap. My bud did not seem to mind one bit.

"We used to have one of these at school," Janey said, bobbing up and down, her halter top now transparent. Her hard nipples strained against the taut fabric, making me want to free them. "It wasn't anything as nice as this, but...it had everything I needed," she explained.

"Needed for what?" Steff asked, curious. And clearly horny.

"Y'know...to get off with."

"You masturbated in the school jacuzzi?" Steff gaped, mouth hanging open. "How?"

"Well, it's kinda hard to explain. But...I could show you."

My cock practically ripped through my shorts. I didn't have anything on underneath, so I squeezed my thighs together as Janey stood up, peeling off her halter. Those exquisitely formed boobs nearly made me jizz. Ronnie looked like he'd almost forgotten about Steff, who was sitting on his crotch. The look on her face gave me the impression she might have a hint of bisexuality in her.

"These are just getting in the way," Janey announced and leaned over the side to toss aside her panties. Her wet, bare ass stared back at me. Any minute now, I was going to need a lifeguard.

"You just gotta," she continued,

crouching low in the water, shifting her hips from side to side, the light shimmering bright behind her. "Find...the right...spot."

One of the tub's 88 jets fired, and Janey gasped, fingers spreading her pussy lips wide, thumb diddling her blurry clit. The light changed and she froze, waiting.

"A-a-any, sec-cond," she whimpered, the light blazing bright again just as the jet unloaded into her gash. She jerked, rocking as she rubbed her button in between bubbly spurts.

"Try it," she urged. "Come on. I know I'm not the only one who wants to cream."

Steff looked at Ronnie, tossed her thong at him and squatted in place.

Ten seconds later, she squealed, pitching forward, face-planting into Ronnie's junk. Thing was...she didn't resurface right away. Ronnie's expression told us all we needed to know.

"I need to get one of these," he mumbled, just as Steff broke the water.

There's...a lot going on down there," she said, tits in his face, reclaiming her seat on the throne.

Janey splashed over, pushing me as far back as I could go. Her fingers danced over the hot tub keypad while she squirmed, ass squitching up on me, grinding against my cock.

> "Two...one...UNGH!" The jet blew. Janey slipped down low, chin in the water, my shorts sliding down my thighs. She grabbed hold of my prick, fast-jacking it while waiting

for the jets to change. When she threw herself against me this time, my dick was teasing her twathole. I knew what she was playing at and wondered if she'd go through with it. Hands between my legs, fondling my balls and clutching my shaft, the lights went dark.

Bubbles—a fiery torrent of them—flowed up my dick, got trapped in Janey's parted folds, then entered her...along with every inch of me. Her nails scraped along my thighs as she slammed a button, turning the jet up to MAX.

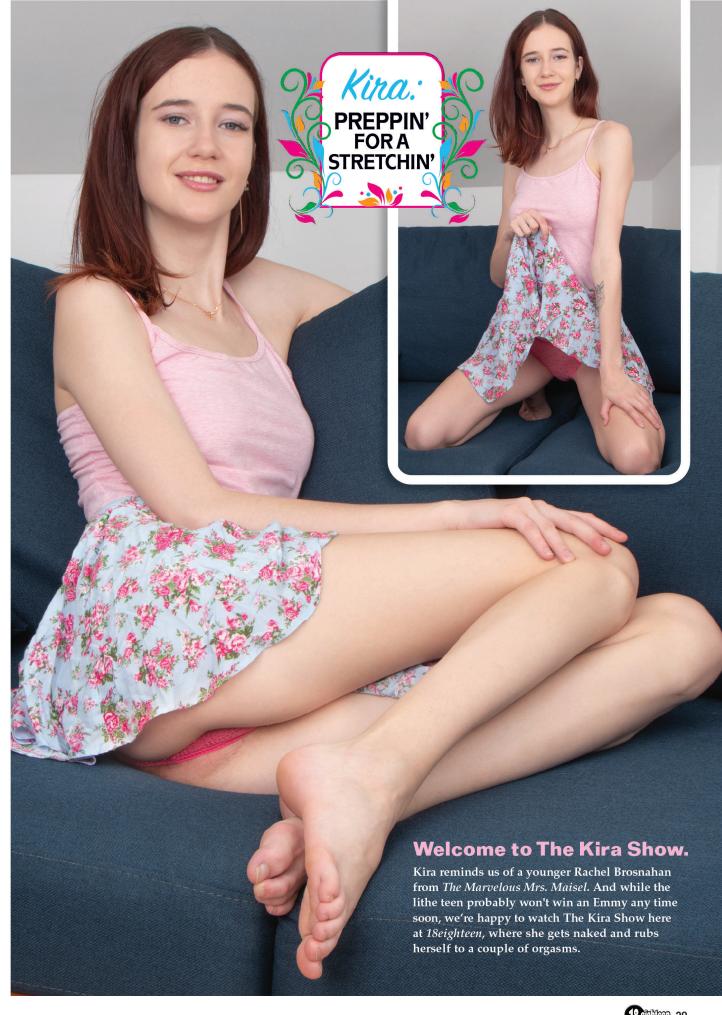

I was too horny to hold back. I didn't even care that Ronnie and Steff were watching us. I groped Janey's boobs, her rock-hard nips flattening under my palms. I pinched one and she moaned, the next flare of bubbles swirling around us as a full bank of jets joined in.

It was like getting fucked in a massage chair—underwater. Janey's cunt was tight, reminding me of senior year and the first girl I'd gone all the way with. The one I'd given my class ring. While the water worked my back, my thighs, my ass and especially my nuts, Janey's slick tunnel pulled me closer and closer to cumming.

"Your pussy's driving me fucking crazy!" I gasped, thrusting up into her box, the two of us sliding around on the seat.

"Don't get too crazy," she whispered into my ear. "We're moving!"

## SLOT TUB

Continued from page 28

She pushed away, my cock flopping in the water, and guided me to another seat. She held down multiple keys on the pad and bent over the side, her gorgeous ass sticking out of the water. She looked back, those big brown eyes imploring me.

'Whattya say?" she breathed, putting her hands on her cheeks and pulling them apart. "Don't mind a little damp doggie style, do you?"

"Woof," I muttered, grabbing hold of her hips and slamming balls-deep into her twat. Bubbles ran up my thighs from vents in the hot tub's floor. Between the velvety heat leaking out of her cunt and the bubbles, it felt like an invisible fuck-god was warming my nuts, bringing my jizz to a boil.

Behind me, Ronnie and Steff were really getting into it, their hands everywhere while playing voyeur.

"He needs to cum inside her," I heard Steff whisper. "Pump that hot little slut

Janey's hips were hard to hang onto, both because of the water and how her back would arch when one of the jets would light up her clit. Watching her puckered butthole while I pounded into her from behind gave me all sorts of raunchy ideas. What did a girl her age think of anal, I wondered. What would it feel like to blow my load up her ass?

Both of her hands suddenly shot out of the water. I held my breath, my balls tightening. Janey gripped the edge of the jacuzzi, threw back her head, and uttered a moan that a porn star would have envied. Her whole body trembled, waves rippling as she twitched in the water. The spa walls shook with the intensity of her orgasm. The next time she looked back, her face was painted lavender by the lights.

"Go ahead," she exhaled. "I know you're thinking about it."

I wasn't sure what she thought I was thinking about, ass-fucking her or finishing off with my cock buried up her snatch, but as she gulped air, I found a pretty sweet middle ground.

"Oh-OHHH-ooohhhh!"

One hand gripping her shoulder, I pounded her slit, my right thumb plugging her asshole. Eyes glued on that tight teenage starfish, I drilled her hard,

water splashing up over the side, Janey's pre-cum cries growing louder.

"Oh yeah," she begged. "Fucking do it! Jam it in me deep! I wanna cum again. Wanna, wan-na, right now!"

She climaxed hard. So hard, my feet slid back, her perky tits dropping into the water.

Why not, I thought. I let go of everything else, cupped those perky knobs of

hers and spun around so she was facing Ronnie and Steff.

Steff was still sitting on Ronnie's lap but leaned in, her lips closing over Janey's in a sloppy lesbo kiss. Janey went wild, and with one of Steff's hands finding a boob, I gave Janey a little reach around, fingering her nub.

I halfway expected Steff to keep moving in, maybe even standing up to stick her muff in Janey's face. Something told me that it wouldn't be the first time Janey had eaten pussy. It reminded me of her friends upstairs.

What was holding Steff in place, though, was Ronnie's dick, which had found a home deep in her well-manicured snatch. He gave me a thumbs-up.

Janey burbled water. I hauled her up while she was giggling up a storm.

"How much girl cum can this tub handle?" she said, running her hands back through her hair.

"We should probably find out," Ronnie said, right before Steff gave a Whoop! "I'll make sure the boss takes it into consideration."

Janey pointed, and Ronnie and Steff shifted to where we'd been, while she pounded the tub's control keys like a computer hacker.

"Turn around," she ordered, so I put my back toward the jets. She gyrated, I don't know how, and pushed off, splashing down into the water. I dropped into the seat Steff had been in, the whole wall thrumming.

"Careful with the hands on the back of my head," Janey advised. "Y'know... I need air."

With a grin, she disappeared like a mermaid, grabbing hold of my bone and pulling herself down my cock with her mouth—the rest of her body floating just beneath the surface.

Ronnie's eyes bulged. It was clear he'd never seen anything like it, and to be honest, neither had I. If I'd been watching it online, I'm not sure I would have believed it. Not with an 18-year-old, no way. But with one hand firmly gripping my nuts and the other jacking my rod, lil' miss junior college was a fistful from a full-fledged deep throat.

"She's gonna wind up gargling my load," I said under my breath, touching the back of her head but not pressing down. Beneath the waterline, everything went purple. Moments later, Janey broke for air.

"Liar!" she sneered, that young face flushed with I don't know how many climaxes. Well, and the hot water. I felt confident it was more from the series of rapid-fire-cums, though.

"Who, me?" I said, feigning innocence. Was kinda tough with the tip of my dick sticking out of the water next to her face, though.

"Well, your balls," she clarified, smoothing back her locks and preparing to dive like Captain Nemo once again. "Thought for sure you were gonna shoot."

"I'll give you a heads-up," I promised...right before putting my hand on the back of her head and directing her

back to the dive site.

How her lower lip reached my sac and her tongue curled around my balls, I'll never know. I've been with gals who could hold their breath giving head, but this girl? Janey could've had gills the way she was able to swallow my cock, deep-throating me while the water color changed again. The pads of her feet rippled the surface, occasionally pushing her lower as she sucked my rock-hard dick.

Okay—in her mouth, then, I decided, both hands settling into her hair while I fucked that pretty mouth of hers. Any second now, I thought, her fingernails dragging up and down the insides of my thighs as I pumped my tip into the roof of her mouth.

Almost panicking, I let go, huffing and puffing, my pole feeling like it was going to rupture a blood vessel. Janey floated to the surface, grinning.

"What? You thought you had a time limit to bust?"

On the brink of madness, I pulled her into my arms, my oozing cockhead jabbing into her belly. She pushed us over to the last untested seat, spreading her arms like a bird, her silky pink rising to

meet my throbbing cockhead.

I stuffed that tunnel full of muscle, toying with her erect buds while pounding into her for all I was worth. I'm not bad, and I'm not bragging, but I couldn't believe I'd held on so long.

She nibbled her lip,
giving me that
look that told me
I wasn't the only
one who was
getting close to
cumming.

Love lava was churning in my balls, and I was more than ready to empty them. One of Janey's hands found the control panel. Floor jets began to push her up against me, those lithe, curvy legs wrapped around my hips.

She fingered her clit, sweat breaking

out on her brow despite the water. She nibbled her lip, giving me that look that told me I wasn't the only one who was getting close to cumming.

"You good with face or...m-mouth?" She orgasmed, back arched high, ass rising out of the water and sending a wave across the spa. Steff let out a howl of approval.

As for my turn to cum, there wasn't a bad choice for me to finish. Her face covered in jizz was an image I could live with. Still, those lips on my shaft, tight as her thighs around my waist. I bet she was the type that kept sucking, even after you started jizzing...

Janey came again, the action on my rod a total surprise. I didn't get the chance to decide—circumstances dictated what happened next. The best of both worlds, as it turned out.

I barely managed to pull out, sliding up over her thighs and erupting, the first rope of nut butter hitting her on the cheek and chin. Laughing, she opened wide, kneading my balls as I almost made it into her mouth.

Eyebrow gummy with sperm, she finally got me onto her tongue, where I gushed another spurt. She was still

quivering beneath the water, working a swollen nip with one hand, scooping my jizz off her face with the other.

Janey guzzled every drop of my load. Gulp-gulp-gulp, then wiping her cheek with my flagging cock, slurping the facial shots into her mouth. Fuck the skiing, I thought. Janey'd wrung me out like the towel she was using to wipe my ball sauce off her fingers. I took it, too, swabbing my junk before collapsing beside her, exhausted.

"Not bad," Janey assessed. "Not bad

Across the way, Steff was cuddled up beneath Ronnie's arm. I had no idea what they'd been doing or how they'd finished, but he saluted me with a drink. I hadn't even noticed him opening up the cooler!

"Tub time!" someone shrieked. Vicki, one of Janey's friends, didn't even pause. She ran, hopped onto the step with one foot, and launched, pulling her knees to her flat chest mid-air.

"Cannonball, bitches!"

She dropped into the center of the jacuzzi, water splashing everywhere. Beside me, Janey stroked my cock, busy tapping buttons. Vicki surfaced. A rat-atat thrum of water pulsed under my prick. I couldn't believe it, but I was already halfway hard. It felt...like I was back in high school.

"Not bad yourself there," I joked, cupping a tit. It wasn't long before a second hand joined Janey's ...and it wasn't mine.

"You like to go all night, isn't that what you said?" she reminded me. I grinned, flipping her over and pulling her close. Vicki saw what was coming and started stroking me with both hands.

"We'll see who quits first," I challenged, burying my face in her pussy and suckling her clit. She gasped, thighs squishing my cheeks flat. My middle finger found her hole and intensified the action. She looked over to Ronnie and Steff.

"We don't have cooties or anything," she said, shuddering as I tongued her pink. "You can join us, y'know. We don't bite, right, Vick?"

Her gal pal peeled off her soaked tee, nothing but mosquito bumps concealed beneath. Standing up, she scrolled a pair of white cotton bloomers down, revealing a pussy shaved bald.

I'm not sure if Ronnie beat Steff or Steff beat Ronnie across the hot tub, but to be fair, Ronnie did have to put down his drink.
